This charming 1950s detached bungalow, owned by the same family since it was built, is situated on a peaceful corner of a quiet residential area

The bungalow has been extended to the rear, offering spacious and flexible living accommodation. Upon entering, the hallway leads to three well-proportioned bedrooms. The master bedroom, located at the rear, includes an ensuite and opens directly onto a delightful patio area with views of the garden. A family bathroom serves the other two bedrooms. The dual aspect sitting room is generously sized and features an open fireplace, creating a cozy focal point. The spacious kitchen connects to a bright dining room, which benefits from dual-aspect windows, flooding the space with natural light and offering views of the serene garden. Outside, the property features a longer-than-average double garage, complete with an inspection pit. Behind the garage, there is a spacious utility room. The wide frontage provides a high degree of privacy, and the driveway can accommodate several vehicles. The mature rear garden is a notable feature, offering a generous size with well-established borders, lawns, and two patio areas. A secluded section of the garden, complete with a summer house, greenhouse, and shed, offers a peaceful retreat. This attractive bungalow offers excellent potential for further remodelling or extension, subject to the necessary planning permissions. It is being offered for sale with no onward chain.

#### **A little about the corner of the world we call home...**

Berkhamsted is an historic market town nestled at the feet of the Chiltern Hills, a designated area of outstanding natural beauty. Berkhamsted lies in the Bourne Valley. The town is located 26 miles northwest of London. The high street is on a pre roman route to London with lots of interesting architectural styles, our own office sits in a building well over 200 years old. Berkhamsted dates back to about to 1000 AD and was mentioned in the doomsday book of 1086 and has its own Castle, sadly just ruins now as it was abandoned in 1495, it now belongs to the Dutchy of Cornwall and is looked after by English Heritage – the site is often used for events. Just off the High Street is the Grand Union Canal and the

Train Station which offers a frequent service in under 30 minutes to London Euston. The Town Centre has a range of independent and boutique retailers as well as national retailers such as Marks & Spencers and Waitrose. Berkhamsted is home to some of the best schools in the area, the Berkhamsted School is an independent day and boarding school dating back to 1541 with famous alumni such as Clementine Churchill, Will Fraser and more recently Roman Kemp. The town is also home to the British Film Institute and can often be seen for location filming for TV and Film. Berkhamsted really is a wonderful place to raise a family, commute into the City, check out the countryside or simply enjoy a coffee or glass of prosecco and watch the world go by.
